

NIGHT LIGHTS

Radio buttons available for user to press to change colors

Clear allows users to clear the screen back to default dark circles. User will be asked to confirm if they are certain

CLEAR

These buttons will provide the user with a template of a design allowing the user to follow along.

MOUNTAINS

STAR

BEAR

NIGHT LIGHTS

When the user clears their screen, this is what they will see. This is also the default screen.

CLEAR

BEAR

NIGHT LIGHTS

*This is an example of the
template that a user can utilize.*

*The template makes the buttons
have an outline in a light grey
colour so the user can see the
design.*
